

**Rockcastle Karst Conservancy
General Meeting 12/06/2009
Minutes**

In Attendance:

Howard Kalnitz
Robert Yuellig

Werner Jud
Tammy Otten

Neena Jud
Pete Stow

Mary Gratsch
Gary Bush

Meeting at Scheben Branch Boone County Library, Union, KY, Called to Order by Howard Kalnitz, Chairman, at 1:22PM.

2009-12-06-Agenda.
pdf

Meeting Agenda is attached:

Minutes From Last Meeting:

Minutes from Meeting of 7/12/2009 were read briefly and accepted unanimously (Pat Hutson absent).

Treasurer's Report

Details are in the attached Balance Sheet and P&L Statement:

RKC Balance
Sheet-2009-12-06.pc

RKC
Inc&Exp-2009-12-06.

The Board discussed the need to research putting a Conservancy Easement onto the Cornhole Cave property for tax relief and possible liability reduction.

Committee Reports

(A) Membership Committee: Alan Leach made a verbal report to Chairman Kalnitz. RKC currently has 126 members.

(B) Stewardship Sub-Committee:

(i) Misty Cave : (Pete Stow) - Based on the SCCI directives, the plan is to open Misty Cave for visitation after the hibernation period has ended.

(ii) Cornhole Cave: (Mary Gratsch) There've been 2 - 3 survey trips. 4-wheelers have been running through the property. We need a way to block them out. The property taxes have been paid to the Sheriff for this year. The cave is showing no signs of vandalism. The Management Plan is under review. Access plan has been crafted.

(C) GSP Committee: (Neena Jud) Highlights of the report are:

- An updated Management Plan for GSP was distributed at the meeting. (See attachment below)
- Gravel has been spread on most of the roadways on the Preserve.
- There are other active projects underway.
- In line with our continuing WNS education, visiting scouts may be required to decontaminate while caving on the Preserve.
- Neighbor Relations:
 - Open House is scheduled for May 15 & 16, 2010.
 - Articles continue to be sent and/or are planned for the Mount Vernon Signal.

- Neena submitted the updated Management Plan for review. W. Jud suggested it be approved by e-mail vote of the RKC Board, so it may be implemented as soon as possible. Bush moved for such an email vote; seconded by Kalnitz. Approved unanimously (Pat Hutson absent).

RKC-GSP-Management
nt_Plan_2009-12-06.

Full text of GSP Report:

Updated Management Plan Draft:

Kalnitz moved to accept the GSP Report. Seconded by Werner Jud. Approved unanimously (Hutson absent)

(D) Acquisition Committee: (Bill Addington not present) - No Report

Kalnitz suggested we need more action from this committee. A new Chair may be required.

(E) Fundraising Committee: (Dan Zubal not present) - No Report

Kalnitz reiterated that we have serious debt and a more active Chair may also be needed here.

(F) General Discussions on Committees:

- Ways to increase volunteerism within RKC were discussed.
- W. Jud suggested the Minutes should include that land acquisition efforts for the North Entrance to GSP were actively pursued.
- We need to check into the ways and means of Conservation Easements (CE). We should set up training about CE's in multi-grotto meetings, so we can expand staffing to blanket landowners in central KY to consider setting up CE's and leasing operations of their caves with RKC.

Old Business

(A) 2nd Reading of Membership Revision: - The motion, made at the last meeting by Kalnitz and seconded by Gratsch, was reread and brought to a vote. Passed unanimously (Hutson absent).

Sustaining_Members
hip_proposal.pdf

Full Text of Change:

(B) Change of RKC Address: (W. Jud) - Keeping the address with Lisa Brandenburg was discussed. Werner had followed up with her. Decision was made to leave it as is.

(C) WNS: The new, proposed Area Designations are confusing. The Board agreed to discuss the report and develop a final stance before the next meeting.

New Business

(A) Nominations for Open Director Position: - Two nominations have been received and accepted. Pete Stow and Bob Yuellig will run for the position. Gary Bush will chair the Elections Committee.

Meeting Adjournment: Moved by Kalnitz, seconded by Jud. Approved unanimously (Hutson absent).

Meeting adjourned at 3:26PM.

Meeting Minutes prepared by W. Gary Bush, Secretary

**RKC Summer Meeting – 12/06/2009
Scheben Library – 1pm**

Agenda

- 1) Opening
- 2) Minutes from Last Meeting
- 3) Treasurer's Report (including Misty Cave Payoff Information)
- 4) Committee Reports:
 - a. Land Acquisition
 - b. GSP Report - Neena Jud
 - c. Misty Cave
 - d. WNS Reccos
 - e. Cornhole Cave
 - f. Committee Openings - Call for New Committee Members
 - g. Fundraising
- 5) Old Business
 - a. Membership Rules
- 6) New Business
 - a. Floor Items
- 7) Nominations for Director
- 8) Adjournment

Great SaltPetre Preserve Report to Rockcastle Karst Conservancy

December 6, 2009

Facilities Management:

We are still trying to raise funds for the Composting Toilets. We have submitted various grant applications and requested donations from grottos. So far we have received \$930.00 towards this project. Two grant applications are still outstanding.

GSP now has additional gravel on most of the roadway. There will be additional improvements made to improve the surface drainage and keep the gravel in place. We are also investigating repairs to the asphalt drive at the entry.

Other projects for next year will include things like improving electric service to the Point, and continuing to improve the lighting and displays in the Cave. We will also be addressing kitchen sanitation issues (including the kitchen wastewater).

Educational:

Fourth Graders from Laurel County Elementary visited Great SaltPetre Preserve on Friday October 23, 2009 and Fourth & Second graders from Mt. Vernon Elementary kids visited on Thursday & Friday the following week. Total attendance was 335 kids. Inquiries are starting to come in for Spring field trips.

We are making preparations for the Coming Scout caving season. Nothing will be scheduled until March, in anticipation of the season running from May 1 to Sept. 30. The Youth Group Coordinator for GCG and BGG will re-assess scheduling wild cave trips as more information comes available from White Nose Syndrome investigations. We are treating Great SaltPetre Cave as a commercial cave, and will allow visitation with decontamination if gear is worn.

Neighborhood Relations and Communication:

These issues remain important to GSP. Open House is already on the calendar for May 15 & 16, 2010. We are trying to be good neighbors, submit articles to the Mt. Vernon Signal, and participate in events in the County. For example, we recently participated in a roadway cleanup along the section of roadway that is signed as being maintained by GSP.

We are considering a new sign for the entrance to GSP. Nothing has been developed yet, but it will recognize RKC as the owner of the property.

Tim Hale is in charge of our application to the National Register of Historic Places. This will not restrict our decisions as we manage the property, but it may help us as we apply for grants for our infrastructure improvements, educational programs, and archeological displays. As owner of GSP, RKC will be asked for approval of this designation.

We will be doing an extreme makeover of our website to improve communications with interested parties, youth groups that we serve, and visitors in general. There will be clearer information on access to the property, more photographs, and a broader range of information appropriate to a nature preserve.

We have recently updated the Management Plan, which I would like to submit at this time for your review.

Respectfully Submitted
Neena Jud, Chair
NSS#60145

The Great Saltpetre Cave Management Plan To Protect and Preserve through Education

Changes made to the Management Plan since April 2006 appear in blue text.

I. Policy and Statement of the Rockcastle Karst Conservancy, Inc.

Introduction

The Rockcastle Karst Conservancy (RKC) encourages projects such as: establishing cave preserves; placing entrance gates where appropriate; opposing the sale of speleothems; supporting effective protective measures; cleaning and restoring over-used caves; cooperating with private cave owners by providing them knowledge about their cave and assisting them in protecting their cave and property from damage during cave visits; and encouraging commercial cave owners to make use of their opportunity to aid the public in understanding caves and the importance of their conservation. As part of this effort, RKC has acquired and holds the deed to the Great Saltpetre Cave Preserve and is committed to its careful and long term management. It is the duty of every RKC member to take personal responsibility for spreading a consciousness of the cave conservation ethic to each potential user of caves.

II. HISTORY OF THE CAVE

Great Saltpetre Cave is located in eastern Rockcastle County, Kentucky. The cave is located in a spur of the Big Hill Range and runs directly through the mountain with Crooked Creek passing near both the north and south entrances of the cave.

The first written account of the cave states that it was discovered in 1798 by John Baker and his family. The early years of our country's birth demonstrated the need for a domestic supply of gunpowder. Great Saltpetre Cave was found to contain vast quantities of calcium nitrate, a critical ingredient in manufacturing gunpowder. The War of 1812 saw the peak production in saltpetre mining at Great Saltpetre Cave. Employing 70 or more miners during this period made it the largest employer in eastern Kentucky. Mammoth Cave was better known as a saltpetre mining operation, but it in no way compared to the production generated at Great Saltpetre Cave. It is because of this mining that the first survey was made of the cave and its prominence in the region has endured. After the War of 1812 the mining production slowed down and completely came to an end in 1865.

John Lair of Renfro Valley fame was instrumental in the commercialization of the cave with the radio broadcasting of the "Renfro Valley Barn Dance" from inside the cave in the early 1940's. A dance floor was constructed in the Echo Auditorium. A museum section was established to display the mining operations. During the next three decades, the cave was opened for tours with various degrees of success. Later,

Richard Mullins lived on the property and managed the campground and gave tours. Public visitation dwindled and eventually by 1985 the operation ceased altogether.

In 1989 the Felburn Foundation purchased Great Saltpetre Cave and leased it and the surrounding property to the Greater Cincinnati Grotto, a chapter of the National Speleological Society. In 2006 The Felburn Foundation donated the Great Saltpetre Cave Preserve to the Rockcastle Karst Conservancy.

III. THE GREAT SALTPETRE MANAGEMENT COMMITTEE

Great Saltpeter Preserve (GSP) is managed by the Great Saltpetre Cave Committee (GSPC) and consists of four Greater Cincinnati Grotto members (GCG), two Dayton Underground Grotto members (DUG), and two Blue Grass Grotto members (BGG). Each year the chair of the GCG appoints the chairperson of GSPC who then chooses the three remaining GCG members. DUG and BGG will select their own delegates. Monthly meetings will be held at locations determined by the GSPC chairperson. All GSPC members shall have full voting privileges. The GSPC members who are present at each meeting will vote on all projects and expenditures. All monies donated to GSP will be managed by and used specifically for The Great Saltpetre Cave Preserve. The GSPC will give a financial statement and a report on ongoing projects and plans to the RKC board at least once a year, or at their request.

IV. ACCESS TO THE GREAT SALTPETRE CAVE PRESERVE

1. Because the GSPC is composed of three grottos (GCG, DUG, BGG), any member in good standing of those grottos may have access to the cave preserve and must abide by all rules and regulations. A special agreement between GCG and RKC further spells out access privileges between these two parties. All other persons must be sponsored by one of the aforementioned grottos. Sponsorship is a serious matter. Each sponsor must be willing to do the following:
 - a. Be in attendance at all times with their guest while on the property.
 - b. Be accountable for all of their guests' actions.
 - c. Be responsible for collecting camping donations, registering guests at the kiosk, and advising of liability waiver requirement.
 - d. Be responsible for keeping the front gate locked.

2. Sponsoring Large Groups

This may be defined as over 12 people and carries additional responsibility. Sponsors of organized youth groups (e.g. Scouts) or other special interest groups must coordinate plans to visit GSP with the GCG youth group coordinator or, **other designated sponsor(s)** and provide schedules to the GSP committee. Enough prior notice shall be given to avoid problems and potential conflicts with cave access. Also, any other special needs or requests must be cleared with GSPC. In some circumstances where the visiting groups are especially large, arrangements should be made to have additional sponsors or help by Grotto members when touring the cave.

V. BANISHMENT FROM GREAT SALTPETRE PRESERVE

1. Cavers or visitors may be banned from visiting GSP for any of the following reasons:

- a. Willful misuse of GSP property or facilities.
- b. Willful disregard of the safety of themselves and/or others while visiting GSP property.
- c. Conduct detrimental to the GCG, BGG, DUG, NSS, caves, and/or landowner relations.

2. Disciplinary action shall be initiated only upon presentation to the GSP Committee of a written petition for disciplinary action by a member of GCG, BGG, or DUG. Upon receiving such a petition, the GSP Committee shall take such actions as are deemed necessary to notify the accused person, in writing, of the petition, and of the place, date, and time at which the petition will be considered by the GSP Committee. The accused person shall have the right to speak on their behalf. Such consideration shall take place no sooner than twenty-one days or no later than seventy days after the petition is received by the GSP Committee.

3. Disciplinary action under this provision shall be taken only upon three-fourths vote of the GSP committee by a secret ballot in Executive session.

4. For serious violations observed on site, the offending visitor or caver may be asked to leave immediately by the GSP caretaker or any board member of GCG, BGG, DUG, or any GSP committee member. Refusal to comply may result in local authorities being called and trespassing charges being filed. For these serious on site violations, the disciplinary process can skip step (2) and go directly to step (3).

5. Banishment from GSP will be for a period of five years. The banished party will be eligible for early reinstatement upon request after a period of one year. A written request for reinstatement must be submitted to the committee for consideration of early reinstatement. If the request is denied then the banished party must wait a period of one year to request reinstatement again. Only one request will be considered annually. If no request for early reinstatement is approved, the banished party shall be banned for the full term of the banishment. The committee must approve early reinstatement by a three-fourths majority by secret ballot. A caver banned from GSP is not necessarily banned from their grotto, but their grotto will be notified of the nature of the violation and the action taken by the GSP Committee.

VI. GSP CARETAKER

Since November 1999, the property has had an on site resident located a few hundred feet past the main gate. This person is the GSP caretaker whose primary duty is to watch over the property to the best of his/her ability. Residency is granted by the RKC Board through a separate lease arrangement. Do not expect the caretaker to grant access or give out keys to cave or property. The responsibilities of the caretaker and other specific terms of residency are spelled out in the separate lease agreement.

VII. SECURITY

1. This is extremely important for the protection of the campground and the caretaker who resides there. Keys will be given only to the GCG board members and the members of the GSPC. The front gate has a combination lock. The combination can be obtained by calling either a GCG board member or anyone from the GSPC. The combination will only be given to a member of GCG, DUG, or BGG. Under normal circumstances, sponsors with guests are never to give out the front gate combination, or any keys to property structures, including the GSP cave itself. The front gate must be locked at all times. The chairperson of the GSPC will have the responsibility of changing the lock combination as deemed necessary and keeping all appropriate personnel notified. Remember the combination could change at any time. Call first to ensure that the combination number you know is correct.
2. The Kitchen will be open, upon request, whenever possible by a GSPC member or GCG Board member.

VIII. CAMPING AT THE GREAT SALTPETRE CAVE PRESERVE

1. Camping and sleeping cabins are on a first-come first-serve basis. The first person occupying a cabin has sole discretion of allowing additional occupants. Sleeping Cabins are not for use by Youth Organizations. Youth Groups must stay in the area reserved for them at the far end of the main camping field. No pets are allowed in the sleeping cabins.
2. Showers will be opened whenever possible by a GSPC member.
3. Electric sites are available in the middle campground and the former “party camp” is now designated primary camping area for scouts. Please remember that your camping donations are used for the upkeep of the property. [Suggested donations for nightly camping plus use of electric are described in section X.](#)

IX. SPECIAL EVENTS

1. The GSP property typically hosts various events during the course of a year. These are, but may not be limited to:
 - a. New Years Eve Party
 - b. Open House
 - c. Karst-o-Rama
 - d. [Caver Appreciation Weekend](#)
 - e. Halloween party
 - f. Work Weekend(s)
2. These events are held for the benefit of cavers and, in the case of Open House, the community. Each such event shall be arranged and managed by its own subcommittee and will report to the GSP committee.

X. CAMPGROUND RULES AND REGULATIONS

1. All visitors must register at the kiosk. Camping requests are \$4.00 per night per person. Electrical sites are an additional \$4.00 per night at designated campsites, and are restricted to members' use during heavy visitation. Camping donations are payable upon arrival and may be deposited in the pipe next to kiosk. Use the payment envelope and fill in your name, date, and any affiliation. If a receipt is required, indicate so and give an address. Please print legibly. Contact a GSPC person for approval of extended stays for example, over **four** nights. **Whether camping or not, donations are always gladly accepted and appreciated.**
2. Property insurance requires that all Grotto members and their guests, must have a GSP liability waiver signed and on file. Waivers are available at registration kiosk or may be downloaded and printed off the RKC and GSP website. **Waivers will be valid until the end of the calendar year and must be renewed annually. They are filed with the GSPC Secretary. All youth group visitors under the age of 18 are required to have a signed liability waiver for each visit to the Preserve whether they camp or not. No exceptions. Parents must sign for minor children. These waivers are to be collected and retained by the sponsoring Grotto member.**
3. The speed limit is 5 MPH. Drive on designated roads and in campground area.
4. All trash must be removed from camping area when leaving. Dispose of properly.
5. Use only designated fire rings. All fires must be extinguished before departure. No timber is to be cut on the premises.
6. Quiet hours are between 11:00 PM to 6:00 AM. **Please be especially mindful of this when campground is occupied.**
7. No discharging of firearms, fireworks, carbide cannons, or explosives on the preserve.
8. Hunting is not permitted anywhere on GSP property.
9. Pets must be kept on a leash at all times, or otherwise restrained. All pets must have current inoculations for rabies as prescribed by the camper's state of residence. **(Kentucky Administrative Regulations 304 KAR 1:040)**
10. The shelter house is to be used as an eating area or gathering place only. **Please be considerate of other people using the shelter. For example, keep pets at a distance during times of heavy use.** There is to be no camping, or parking of vehicles under the shelter. All persons using the shelter house must clean it before leaving, even if it was found in poor condition.
11. Motorized vehicles are prohibited for off-road use at GSP, with the exception of pre-approved GSP Maintenance vehicles. Nuisance behavior with these vehicles is also prohibited.
12. Horses are prohibited at GSP.

XI. POLICY FOR CAVE ACCESS

Access to the Great Saltpetre Cave is a privilege. Officers of RKC, GCG and the GSPC hold the keys to the cave. To obtain a key to the cave you must be a member of GCG, DUG, or BGG. Special permission to visit the cave must be made in advance with a GSPC member or GCG board member in order to obtain a key. Such persons are highly encouraged to use the "Cave Visitation Rules" form when loaning their key to others. While visiting the cave the gate must be locked at all times and should be unlocked and re-locked as you enter and leave. Key to cave must be returned as soon as possible.

XII. THE GREAT SALTPETRE CAVE STATUTES

1. RKC and the GSPC actively promote the conservation of caves. All visitors pledge to protect the historical, geological and biological treasures found underground. The management committee stresses that nothing shall be done to deface or spoil the natural beauty and life forms found in the cave.
 - a. No camping is allowed in the cave.
 - b. No vehicles or bikes are allowed in the cave.
 - c. No fires are allowed in the cave.
 - d. No rock climbing or rappelling from the cliffs above the cave.
 - e. No children permitted in cave without adult supervision.
 - f. No using cave as a restroom.
 - g. No dogs are allowed in the cave.
2. Scientific study and research involving the exploration of Great Saltpetre Cave is encouraged and shall be approved by the GSPC upon review. [Archeological excavations must also obtain a State of KY permit in accordance with Kentucky Revised Statutes 433.871 thru .885.](#) A written report of any findings must be filed with the committee. The cave may be used for the teaching of conservation and safe caving techniques. Any groups proposing to use the cave for these purposes must be covered by insurance and individual release forms properly signed and submitted to the GSPC secretary.
3. Because of the colorful history of the cave and its accessibility, the media may publicize it in magazines and newspapers, without disclosing the precise location, with permission from the GSP committee.

XIII. MISSION STATEMENT

Our long term mission is to preserve and protect the natural resources of the Great Saltpeter Preserve, maintain and restore those buildings and structures that are important and/or historically significant to the campground area, and in so doing, continue to provide a pleasant and convenient haven for cavers while protecting a vital part of Kentucky history and landscape. Each idea, project, and plan shall be measured against this.

Our stewardship of the land means not developing the property or creating high impact improvements. GSP is not a scouting jamboree site, a commercial campground, nor are we a public park. GSP is a karst preserve. Visible and permanent changes on or

to the property, or in the cave, must be thoroughly evaluated so as not to clash with our mission. Low impact and low visibility improvements such as running water, telephone, cave lighting, inconspicuous outhouses, are usually acceptable since they enhance comfort and security without compromising our mission. Any such improvement or restoration project shall be evaluated to keep long term (life-cycle) costs down and minimize ecological impact. Think "Green".

***Approved by GSP Management Committee on December 5, 2009
for submittal to RKC on December 6, 2009.***

Sustaining Membership Proposal

Old – ~~Struckthrough~~, New - *Italicized*

Section A. There shall be the following classes of membership in RKC:

~~2. Sustaining Membership. Sustaining members are persons who pay sustaining membership dues. Sustaining members shall have the right to vote for the Board.~~

2. Sustaining Membership. Sustaining membership program allows members to continually sustain RKC by making monthly or quarterly payments Billed to their credit or debit card. The minimum sustaining membership is 5\$ per month, but can be as high as the member is willing to commit. Sustaining members have the right to vote for board

4. Transition Memberships. Any sustaining member making payments will be allowed to apply payments towards a life time membership.

Accordingly the Membership policy will be amended as follows:

1. Membership Dues

The following membership dues amounts are set:

- a. Individual Membership - \$15.00 per year.
- ~~b. Sustaining Membership - \$75.00 per year.~~
- b. Sustaining Membership – Minimum \$5 per month billed directly to credit card.*
- c. Lifetime Membership - \$300.00 one time.
- d. Supporting Membership (for grottos, non-profits, youth groups) - \$25.00 per year.
- e. Supporting Membership (all other organizations) - \$50.00 per year.
- f. Benefactor Membership - \$1,000.00 one time.
- g. Transition Memberships – \$75 until lifetime membership is achieved
